

TERRIAN

Terrian is a recording artist signed to Gotee Records whose soulful voice and heartfelt lyrics blend gospel, pop, and soul influences. Raised in Memphis, Tennessee, she first gained national attention as a member of TobyMac's DiverseCity band before stepping into her own as a solo artist. Her full-length debut album, *Give It Time* (2024), features songs like the Top 10 multi-chart single "Honestly, We Just Need Jesus." That same year, she made her national television debut on *Fox & Friends*, earned two K-LOVE Fan Award nominations, received a Dove Award nomination for New Artist of the Year, and made her Grand Ole Opry debut. Terrian is passionate about her partnership with Eight Days of Hope, a national organization that responds to disasters across the country, helping rebuild homes, communities, and lives, and spreading the hope of the gospel nationwide. Terrian and EDOH are working to create awareness about the impact of human trafficking and the growing need for safe houses.
